Remote working with full support  
Fully integrated case management system  
Strict capacity management  
Proper holiday cover  
Positive work environment

Established in 2015, Elite Conveyancing was formed to provide an exceptional conveyancing service on a national scale. We have achieved this by bringing together a network consisting of only the best conveyancing lawyers throughout England and Wales and developing an extremely close team ethos, through which we are able to challenge mediocrity of our fellow national providers as well as the limitations of individual law firms.

Recognising the increasing shortage of Elite lawyers within the UK, at the beginning of 2021 we finally set about launching our own law firm. The move was prompted by a genuine desire to meet the needs of the individual lawyers and for them to share in the success of the company.

Due to ever-growing demand for our market-leading, customer-focused service we are once again looking to expand our team with experienced conveyancing lawyers.

Elite lawyers must have:

- Minimum of 3 years conveyancing experience
- Conveyancing qualifications – Law Society, CLC or ILEX
- Proven track record in delivering exceptional customer service
- Ability to smile

This is a unique opportunity to join a fast-paced company, delivering a market leading service and share in its future success.

If you are interested in applying for the role or for a confidential chat, please contact Tricia Lonorgan, Operations Director on [tricia@elite-conveyancing.com](mailto:tricia@elite-conveyancing.com) or 0203 8580241.

**NO AGENCIES PLEASE.**
